

**COMPEER**  
FINANCIAL™

## Groundbreakers

As a Groundbreaker, you're ready to face new challenges head on – Compeer Financial offers knowledge, expertise, tools, financial products and other resources as you start and grow your operation.

### Lending Program

Discounted rates and flexible underwriting available to young, beginning and small-operation farmers

Specific Loan Programs

- Starter Loan Program
- Finish Barn Program
- Broiler Barn Program
- Character Loan Program

### Beginning with Compeer - Grant

Up to \$1500 grants available depending on your situation and relationship with Compeer Financial

Farmers who are not Compeer Financial clients eligible for \$250 grant

Additional funds available for enrollees in a multi-year farm training program

Grant funds available for a multitude of reasons – primarily related to improving your business and operational management skills

## Education & Outreach

### Groundbreakers Client Advisory Group

Made up of 20 farmers within Compeer Financial's territory. Meet twice/year in person.

### Groundbreakers Conference

Annual conference featuring expert speakers and breakout sessions on a myriad of topics pertaining to beginning, growing and managing your operation.

### Groundbreaker of the Year

Annual award to a young, beginning or small-operation farmer who is passionate about what they do and makes a positive impact on their industry and profession.

Winner receives \$5000 cash to help further their goals and is featured in various Compeer Financial publications.

### Content (articles, videos, events)

Various content provided digitally and in-person geared towards starting, growing, and managing your operation and financials.
